#### FARMER ACCUSED OF MURDER

The special grand jury at Georgetown, Ohio, impaneled more than a month ago to investigate the murder of Henry Wahl at Mt. Orab, June 30, reported late Monday afternoon an indictment charging murder in the first degree against Leonard Sanders, a well-to-do farmer and livery man of Brown county.

Sanders is in jail awaiting trial. The accused is about 45 years old and married.

Some time ago Wahl's widow confessed having been intimate with Sanders, it is alleged. Of the scores of witnesses called to give testimony before the jury, Sanders was the only one who refused to testify.

It will be remembered that Wahl was murdered while entering the gate leading to his home. He had gotten out of his machine to open the gate and was shot, being killed instantly.

#### DANCING PAVILION OPENS

The Hauke dancing pavilion opened at the North Beach last evening with a great many in attendance. This amusement promises to become quite popular as one can go over at dusk and enjoy a pleasant evening in dancing and swimming. Those who attended reported that they were greatly pleased with the dancing floor.

#### AUTOMOBILE SEAT COVERS

#### BASEBALL DEAD IN MAYSVILLE

Baseball is certainly dead in Maysville. Even the small boys have forsaken the national pastime and the only team that is doing any playing is the negro team which plays here every other Sunday. Probably with the return of cooler weather the vacant lots will again be infested with the youngsters playing "chip-up."

#### SALOON OPENS

The saloon at Manchester opened last evening. Maysville is now midway between the oases, Manchester and Ripley each being twelve miles from this city. It is expected however that the Ripley excursions will still remain popular as better connections can be met at that place.

#### FILES SUIT FOR \$25

In the Mason Circuit Court yesterday E. R. Aker filed suit against Gill Edwards for twenty-five dollars for wrongfully detaining an automobile belonging to the plaintiff. He claims the car to be worth \$100. Hon. Stanley Reed represents the plaintiff.

### HUGHES DECLARES FOR EQUAL SUFFRAGE

Republican Nominee Says Votes for Women Bound to Come and Asserts It Is Well to Yield.

New York, August 1—Charles E. Hughes twice today declared himself in favor of an amendment to the Federal constitution granting the vote to women throughout the United States. In a letter to Senator Sutherland, of Utah, sent in response to a telegram, Mr. Hughes stated as his personal view that the proposed amendment should be submitted by Congress to the states and ratified.

In a speech late today before 500 women of the Women's Roosevelt League for Hughes the nominee declared the question one affecting the whole country and that he favored "taking the shortest cut to its solution."

"I believe this question should be promptly settled," Mr. Hughes said. "I see nothing but danger to our security, to our unity and to our proper attitude toward political questions in continued agitation of this subject."

#### Attacks Foreign Policies

In his address to the league, Mr. Hughes again assailed the administration for its policy concerning American rights abroad during the European war.

"There is an incurable defect of character in the administration with respect to the weakness and conciliation which have characterized it," he said, "and we can not expect improvements from that source."

"We can judge by what has been done and by what has not been done, and we are here together under circumstances very unexpected to me to see if we can not have a genuine revival of American sentiment so that we may face the world erect and prepared."

The nominee also made a luncheon address to about fifty Republican editors of New York state in which he said he had twice been called upon to live down an undesired reputation for coldness and aloofness and that he now was passing through the third experience. He invited sympathetic co-operation.

#### Dismisses a Stenographer

This address was made after Mr. Hughes had dismissed a stenographer sent to the luncheon by the National Committee to obtain a verbatim report of it. The nominee said he did not want his remarks to be taken down and that he wanted to talk freely and fully. The luncheon was private.

Tonight Mr. Hughes addressed a small meeting of social workers invited by Herbert Persons, National Committeeman for New York, to meet the nominees at an uptown club. The meeting was private.

Mr. Hughes expects to leave New York tomorrow afternoon for his summer home at Bridgehampton, where he will remain until Saturday, when he will start on his trip to the Pacific coast.

#### "DAMAGED GOODS" AT THE PASTIME TOMORROW

"Damaged Goods" the vital drama of moral uplift, presented by Richard Bennett and Co. Workers, is the special feature to be presented at the Pastime Theater tomorrow, afternoon and night. "Damaged Goods" pictures the terrible consequences of vice and the physical ruin that follows abuse of the moral law. It is a stirring plea for a pure life before marriage, in order to make impossible the transmission of hereditary taints to future generations. The marriage ceremony should include a guarantee of bodily fitness. No girl is safe while the double standard of morals exists. "Damaged Goods" has received the approval of both pulpit and press but the management of the Pastime desires it best not to admit children under sixteen years of age. Admission 25c. "The Secret of the Submarine" and "A Woman's Naked Soul" will be shown today.

#### ANOTHER TAR WAGON

The contractors, Vastine, Noland & Lowrey have secured another tar wagon and they are now able to do much more work with filling than before. They are making excellent progress with the work. The paving between Popular and Union streets is being laid today and will be ready for business the first of next week. Excavation is now being carried on on the west side of Bridge street and the north side of East Second as far up as Bank street. The new street is being used this far up. All of the car track is excavated and almost ready to be concreted.

The Aid Society of the Third Street M. E. Church will meet at the church at 2:30 this afternoon.

### \$3,000 DAMAGES

Are Asked by Ed McClannahan of This City Against the Bates & Rogers Construction Co.—Had Injury to Right Eye.

In the Mason Circuit Court yesterday through his attorney, Hon. A. D. Cole, Ed McClannahan of this city filed suit against the Bates & Rogers Construction Co. for \$3,000 and costs for damages sustained while he was in their employment.

The plaintiff states that on July, 1916, it was his duty as a common laborer, and he was directed by the defendant, its agents and servants superior to him, to go to the defendants blacksmith shop and to assist a co-employee in cutting threads on bolts for the defendant's use; that for this purpose defendant furnished plaintiff certain tools and appliances and material with which to do said work; that in the process of cutting threads on bolts it is customary and necessary in order to do good work for the workman to use oil and grease in connection with boring and cutting threads; that on the occasion in question the defendant, with gross negligence and carelessness furnished him for said work, dangerous, poisonous and germ-infected oil or grease, which defendant knew and by exercise of ordinary care could have known to be in such condition, but of the nature of which the plaintiff was wholly ignorant and unaware; that in good faith relying on the defendant to furnish him grease or oil for said work which would be suitable, fit and sanitary, he proceeded to use the same, and while he was at work exercising ordinary care an iron splinter or filling, covered with said oil or grease, flew into the corner of right eye, whereby said poisonous or germ infected oil or grease penetrated the ball, thereby causing the same to become inflamed and sore; by reason whereof he has been made to suffer great pain and agony of mind and body and has been prevented from following his usual occupation to his damage in the sum of \$200; that he has been put to the expense and incurred obligations for medical attention in the sum of \$300 and has been damaged in all to the sum of \$3,000.

The plaintiff asks for three thousand dollars and costs and all proper relief.

Mr. James Salice of Covington, Ky., one of the young lawyers of that city was a visitor in this city yesterday.
